

REMARKS

In response to the Notice of Non-Compliant Amendment, a listing of previously cancelled Claims 1-12 is provided hereinbefore. These cancelled Claims are presented showing their status but not their text.

Newly renumbered Claims 13-25, including renumbering of the dependencies for the dependent claims to reflect this renumbering, are in the instant amendment.

Attached is a copy of the initialed PTO-1449, as requested.

Claim 13 has been amended, as suggested by the Examiner, based on page 5, lines 11-14.

In regard to points 3(B) and 3(C), The numbers of the base claims has been corrected in Claims 16 and 19.

In order to overcome the objection regarding Claims 24 and 25, those Claims now refer to a peroxide formulation that has been transported in accordance with the method of Claim 13.

Allowance of all pending Claims is solicited based on the comments contained herein.

Respectfully submitted,

Richard P. Fennelly
